

§ 37.209

assistance to passengers with disabilities, unless the passenger requests or consents to assistance from such persons;

(c) Require or request a passenger with a disability to reschedule his or her trip, or travel at a time other than the time the passenger has requested, in order to receive transportation as required by this subpart;

(d) Fail to provide reservation services to passengers with disabilities equivalent to those provided other passengers; or

(e) Fail or refuse to comply with any applicable provision of this part.

§ 37.209 Training and other requirements.

OTRB operators shall comply with the requirements of §§ 37.161, 37.165–37.167, and 37.173. For purposes of § 37.173, “training to proficiency” is deemed to include, as appropriate to the duties of particular employees, training in proper operation and maintenance of accessibility features and equipment, boarding assistance, securing of mobility aids, sensitive and appropriate interaction with passengers with disabilities, handling and storage of mobility devices, and familiarity with the requirements of this subpart. OTRB operators shall provide refresher training to personnel as needed to maintain proficiency.

§ 37.211 Effect of NHTSA and FHWA safety rules.

OTRB operators are not required to take any action under this subpart that would violate an applicable National Highway Traffic Safety Administration or Federal Highway Administration safety rule.

§ 37.213 Information collection requirements.

(a) This paragraph (a) applies to demand-responsive operators under § 37.189 and fixed-route operators under § 37.193(a)(1) that are required to, and small mixed-service operators under § 37.191 that choose to, provide accessible OTRB service on 48 hours’ advance notice.

(1) When the operator receives a request for an accessible bus or equivalent service, the operator shall com-

plete lines 1–9 of the Service Request Form in Appendix A to this subpart. The operator shall transmit a copy of the form to the passenger no later than the end of the next business day following the receipt of the request. The passenger shall be required to make only one request, which covers all legs of the requested trip (e.g., in the case of a round trip, both the outgoing and return legs of the trip; in the case of a multi-leg trip, all connecting legs).

(2) The passenger shall be required to make only one request, which covers all legs of the requested trip (e.g., in the case of a round trip, both the outgoing and return legs of the trip; in the case of a multi-leg trip, all connecting legs). The operator shall transmit a copy of the form to the passenger in one of the following ways:

(i) By first-class United States mail. The operator shall transmit the form no later than the end of the next business day following the request;

(ii) By telephone or email. If the passenger can receive the confirmation by this method, then the operator shall provide a unique confirmation number to the passenger when the request is made and provide a paper copy of the form when the passenger arrives for the requested trip; or

(iii) By facsimile transmission. If the passenger can receive the confirmation by this method, then the operator shall transmit the form within twenty-four hours of the request for transportation.

(3) The operator shall retain its copy of the completed form for five years. The operator shall make these forms available to Department of Transportation or Department of Justice officials at their request.

(4) Beginning October 29, 2001, for large operators, and October 28, 2002, for small operators, and on the last Monday in October in each year thereafter, each operator shall submit a summary of its forms to the Department of Transportation. The summary shall state the number of requests for accessible bus service and the number of times these requests were met. It shall also include the name, address, telephone number, and contact person name for the operator.

(b) This paragraph (b) applies to small fixed route operators who choose

to provide equivalent service to passengers with disabilities under § 37.183(b)(2).

(1) The operator shall complete the Service Request Form in Appendix A to this subpart on every occasion on which a passenger with a disability needs equivalent service in order to be provided transportation.

(2) The passenger shall be required to make only one request, which covers all legs of the requested trip (*e.g.*, in the case of a round trip, both the outgoing and return legs of the trip; in the case of a multi-leg trip, all connecting legs). The operator shall transmit a copy of the form to the passenger, and whenever the equivalent service is not provided, in one of the following ways:

(i) By first-class United States mail. The operator shall transmit the form no later than the end of the next business day following the request for equivalent service;

(ii) By telephone or email. If the passenger can receive the confirmation by this method, then the operator shall provide a unique confirmation number to the passenger when the request for equivalent service is made and provide a paper copy of the form when the passenger arrives for the requested trip; or

(iii) By facsimile transmission. If the passenger can receive the confirmation by this method, then the operator shall transmit the form within twenty-four hours of the request for equivalent service.

(3) Beginning on October 28, 2002 and on the last Monday in October in each year thereafter, each operator shall submit a summary of its forms to the Department of Transportation. The summary shall state the number of situations in which equivalent service was needed and the number of times such service was provided. It shall also include the name, address, telephone number, and contact person name for the operator.

(c) This paragraph (c) applies to fixed-route operators.

(1) On March 26, 2001, each fixed-route large operator shall submit to the Department a report on how many passengers with disabilities used the lift to board accessible buses for the period of October 1999 to October 2000. For fixed-route operators, the report shall

reflect separately the data pertaining to 48-hour advance reservation service and other service.

(2) Beginning on October 29, 2001 and on the last Monday in October in each year thereafter, each fixed-route operator shall submit to the Department, a report on how many passengers with disabilities used the lift to board accessible buses. For fixed-route operators, the report shall reflect separately the data pertaining to 48-hour advance reservation service and other service.

(d) This paragraph (d) applies to each over the road bus operator.

(1) On March 26, 2001, each operator shall submit to the Department, a summary report listing the number of new buses and used buses it has purchased or leased for the period of October 1998 through October 2000, and how many buses in each category are accessible. It shall also include the total number of buses in the operator's fleet and the name, address, telephone number, and contact person name for the operator.

(2) Beginning on October 29, 2001 and on the last Monday in October in each year thereafter, each operator shall submit to the Department, a summary report listing the number of new buses and used buses it has purchased or leased during the preceding year, and how many buses in each category are accessible. It shall also include the total number of buses in the operator's fleet and the name, address, telephone number, and contact person name for the operator.

(e) The information required to be submitted to the Department shall be sent to the following address: Federal Motor Carrier Safety Administration, Office of Data Analysis & Information System 1200 New Jersey Avenue, SE., Washington, D.C. 20590.
